Decided we prefer to ask BW to talk to us about a better layout for the waterside, matching master plan & MUG's views. Tim to ask them. 9 Website Useful meeting with designer. Aiming to host on spare space on Harry's virtual host. 10 NG road – improving cycle/ pedestrian access/ use Tim Supported Streetscene proposal for redesign of cycle access at both ends of national grid access road. 11 Jon? **National Grid** See note about stakeholders' briefing. Decided: 1. set up good links with other stakeholders.

3. press for Saturday mornings to be excluded from work hours? – yes, if residents on affected roads support that

2. encourage members to report any breaches of conditions for work hours

4. access road: press NG to make weekend use easier: push for demountable

& speeds.

action

fence & maybe link to basketball court

5. design of head house: NG has said they are open to consult on appearance of head house, so we should get foot in door

Need someone to take this on: agreed to ask Jon if he will do so

12 Essex Wharf

Noted that LVF speaking at LVRPA Executive 26 May.

13 Summer stalls / Family Fun Day / Clapton Festival

Agreed to aim for a stall a month in the park over the summer. July's will be on Sat 2nd July, 12-3. Borrow gazebo – Bob to ask Kris for loan of Hillstowe Street's. Ruth will lead, will email committee for rota & material.

Agreed not to do stall at Clapton Festival – better to focus energy on park presence.

Also aim to run Family Fun Day for which we've just made a grant application: Claire will lead on this.

14 Next group meeting

Sat 18 June 11 am. Agreed to substitute a stall focusing on publicising north entrance development and gathering opinions about uses of paddling pool. Play working group to coordinate.

Tim to update flyer, Ruth to print.

15 Strategy

Agreed that strategy for the year should have 2 strands:

- 1. group development: raising our profile locally, increasing our presence in the park, better publicity, developing relationships with community organisations
- 2. getting a grip on the master plan: developing detail of prioritised projects and trying to have some achieved by end of committee term. Important to clarify ideas on the hub and linked projects: agenda for next committee mtg.
